[Child and Family Therapy Clinic](#)

Kennedy Krieger Institute

Department of Behavioral Psychology

443-923-7508

Locations in Baltimore and Columbia

The Child and Family Therapy clinic offers group therapy for school aged children (grades K through 12). Our groups aim to improve children's social skills, peer/friend relationships, self-control strategies, ability to handle peer conflict and bullying, and management of emotions. These groups also include a parent support component which meets at the same time as the children's group. Groups typically meet once a week for 8-week sessions periodically throughout the year.
